"Numb" by Angelus of Nex (A.O.N.)

[Chorus]

Girl you've really done it  
You've made me numb  
The lies, I accept them  
But I'm not dumb  
I know what you did  
I don't give a sh\*t  
The pain, I don't feel it  
Cause you've made me numb (or: Cause I am numb)

{Verse 1}

Girl your friends keep tellin me that you're cheatin on  
me  
I tell you I don't believe em but baby I can see  
The guilt you try to hide it but it's written on your face  
The look says that what you have done has filled you  
with disgrace  
I tell you I believe every lie but I am not dumb  
Don't worry about the pain I can't feel it cause I'm numb  
Don't worry about my feelings girl, now I feel no pain  
My heart's so numb now you'd think that it's full of  
novacain

[Chorus]

{Verse 2}

Novacain  
Into my heart  
I feel no pain  
I fell apart  
My hearts been drained  
From the start  
It's like a pain  
Work of art  
This pain inside  
I tried to hide  
Sometimes I wished

That I would die  
With every lie  
That you tried  
To tell me baby  
I would cry  
What you've done  
It's not fun  
I stay with you  
Because I'm dumb  
My heart is leaking  
My blood runs  
But I feel no pain  
Because I'm numb  
Couldn't breathe  
I couldn't see  
Why you would do  
What you did to me  
But in time  
With every lie  
That you told me  
My pain ceased

[Chorus]

{Verse 3}

Girl my heart says that it needs ya  
Rip it out if it will please ya  
Go through pain and it could leave ya  
Numb inside like anesthesia  
Girl I live ya, love ya, need ya  
See you, taste you, feel you, breathe you  
Girl you stabbed my heart and left a whole  
The size of Arizona  
So I called you on the phone cause  
I was hurting and alone and  
I won't forget what you told me  
That you never ever loved me  
And it hurt real bad at first  
But in time the pain dispersed  
Cause at first I thought I was done  
But in time I found I was numb  
My heart felt like it was asleep  
No matter what you did to me  
Whether novacain or anesthesia  
It's all the same to me  
In time the pain ceased to be  
Looked at you, you looked at me  
You're the reason that my heart beats  
It's too bad you do this to me

[Chorus]

Cause you've made me numb
