[Intro Chorus]

You can't  
You can't  
You just can't diss me  
You can't  
You can't  
You just can't diss me bitch

{Verse 1}

Here I go again back on the motherfuckin track  
Goin real crazy bitch bitch cause I don't know how to  
act  
Some people say I like violence but I don't give a shit  
Cause they can all bend over and take my fuckin dick  
Cause I F em in the A with each word that I spray  
All my hatas are gonna pay cause for them it's  
judgement day  
So don't take me for a joke when you hear me fuckin  
say  
You can't  
You can't  
You just can't diss me

[Chorus]

You can't  
You can't  
You just can't diss me  
You can't  
You can't  
You just can't diss me  
You can't  
You can't  
You just can't diss me  
You can't  
You can't  
You just can't diss me bitch

{Verse 2}

This songs not very long but I think I make my point  
That whoever disses me must be smokin on the joint  
Cause they are out their minds of maybe they are just  
deaf  
But if they say that shit again I'll choke their ass to  
death  
You say I need to learn how to rap but it's just bullshit  
I'd like to see you critisize me with your fuckin throat  
slit  
These are not empty threats bitch, know that I do not  
play  
So don't take this shit lightly, that's why I fuckin say

[Chorus]

... laughter... this has been a A.O.N. beat and a A.O.N.  
song right here... and you beat maker... whatever the  
fuck your name was (I can't remember)... but you need  
to mind your own damn business... you tell me I need to  
learn how to rap... FUCK YOU... you can burn in hell you  
motherfucker... well... bye bye bitch... laughter
