"You Fucked Me Up Bitch" by Angelus of Nex (A.O.N.)

[Chorus]

You fucked me up bitch
And when I said I loved you
Forget about it
And when you said you loved me too
It was bullshit
And now I'm over you
You fucked me up bitch
And it's all over now

[Verse:1]

You left me for some other guy I ain't for that shit
I used to love you, but me and you, us, I'm over it
This relationship, I don't miss it, not one fuckin bit
And everytime I think of you now, bitch you make me
sick
I just can't believe that you did this shit to me
Because I never seen nobody as happy as you and me
But I guess that you faked it and I was fuckin dead
wrong
So you left me here alone to write this fuckin hate song

[Chorus]

[Verse:2]

Yeah you fucked me up bitch
You did it good
I don't need this shit
I just hope that you go and motherfuckin choke on a
dick
It's not fun
Thinkin you were the one
Makes me grab a gun
And put it to my skull cause like me and you, I'm done

You fucked me up bitch
And when I think about you
I just feel sick
And I can't stand you fuckin damn bitch
Just leave me alone

Cause I can't stand you bitch
Just go the fuck away

[Chorus]

[Verse:3]

Here's another verse
About our relationships worth
It makes me wanna just curse
Cause my heart is about to fuckin burst
I hate this shit I can't take it
My heart you had to fuckin break it
People said we wouldn't make it
We knew it to but we faked it
I can't believe it ended this motherfuckin bad
Especially when I think about all that we had
I can't believe it's over
I just can't believe it's true
Cause I really meant it when I said I love you (but no more)

[Chorus]

[Verse:4]

Here goes another fast one
This pill I took is not lastin
Bitch I don't need you no more
I just don't need no fuckin whore
I just spit this shit on this verse
And make things so much fuckin worse
Bitch my heart is no longer yours
Just get over it you fuckin whore

You fucked me up bitch
And when I said I loved you
Forget that shit
And when you said you loved me too
It was fuckin bullshit
So now I'm over you
Cause you fucked me up bitch
And it's all over now

You fucked me up bitch
And when I said I loved you
It didn't mean shit
And when you said you loved me too
It was bullshit
And now I'm over you
Cause you fucked me up bitch

[Verse:5]

You're a fuckin whore
I can't take this shit anymore
You ripped my fuckin heart out
As I fell to the damn floor
I can't move
I can't breathe
I just can't fuckin see
Why you would do this shit to me
But you've woken up the beast
You released the anger that's in me
And it will never cease to be
So now I'll spit revenge on my tracks
Until I cease to breath
Cease to need
Cease to feed
The sickness that's in me
You don't know what you've done to me
But soon you will fuckin see

You fucked me up bitch
And when I said I loved you
Forget that shit
And when you said you loved me too
It was bullshit
So now I'm over you
Cause you fucked me up bitch
And it's all over now
