[Chorus]

Funny how time flies when you're making love
It goes on and on and on
We just can't go wrong
Funny how time flies when you're making love
It goes on and on and on
We just can't go wrong

[Verse 1]

Saturday night, I feel alright
Heading to your place
Kiss your lips, fingertips
Slide down past my waist
Feel the heat, rising me
Just inside your drawers
Throw me down, back to the ground
Under and explore, yeah

You keep my mind goin' baby
You know what to do
The way you slide down on me
I get so into you
Girl your love is what I need
And I don't want to be missin'
So do whatever you want to me tonight
And let the time keep on slippin', slippin'

[Chorus]

Funny how time flies when you're making love
It goes on and on and on
We just can't go wrong
Funny how time flies when you're making love
It goes on and on and on
We just can't go wrong

[Verse 2]

You got me hypnotized, mesmerized
Inside your thighs, gonna take a ride
In and out, just let it flow
And I don't want to let it go
I feel your body start to shiver

Ready to deliver
Can I get wet, can I get some baby
Oh here she comes

You keep my mind goin' baby
You know what to do
The way you slide down on me
I get so into you
Girl your love is what I need
And I don't want to be missin'
So do whatever you want to me tonight
And let the time keep on slippin', slippin'
