NOBODY BUT YOU

Baby sit down next to me.
Let me tell you why I love you.
You make me happy.
Youâ€™re beautiful.
My sweet angel, youâ€™re from heaven.

I donâ€™t know
What I would do if
I canâ€™t spend my life with you.

I donâ€™t want no
Nobody but you.
I donâ€™t need no
Nobody but you.

Nobody
Nobody
Nobody
No no.

Baby hold on to the feeling.
I love your way.
It was love at first touch.
There is magic
About you baby.
My sweet angel, youâ€™re from heaven.

I donâ€™t know
What I would do if
I canâ€™t spend my life with you.

I donâ€™t want no
Nobody but you.
I donâ€™t need no
Nobody but you.

I need your love
To energize me.
No other love

Can set me free.
No doubt about it
This love is true.
No one else will do
Nobody but you.

Baby sit down next to me.
Let me tell you why I love you.
You make me happy
So very happy.

I donâ€™t want no
Nobody but you.
I donâ€™t need no
Nobody but you.

Nobody
Nobody
Nobody
No no
