You watch the night over thikkikichu kich
curse to me wanne (when i never lubiu)-2
feeling like a buhu, you just gonna shake me;
you just wanna rape me,and you was follow me;
like a there wanna be,and a taught a two men;
so a been laidly walking through your room;
was a big mistake,every such a did damn;
was is in a take now,wa wa we won;
dees make a rees curse,small girl tryin a;

you wanna get leave.whenever skin thathe wow;
on a bridges off the glove,if they come say love;
na walking na love,tryin a tryin a on i long;
my babe aims of this so i'm appen that song ;
and he was cheat me cheat me remember one thing;
true luv never goes a kadhhal virus thing huh.
