Yahan vahan saara jahan dekh liya
Ab tak bhi tere jaisa koi nahin
Main assi nahin, sau din duniya ghooma hai
Naahi kaahe tere jaisa koi nahin
Main gaya jahan bhi, bas teri yaad thi
Jo mere saath thi mujhko tadpaati rulaati
Sab se pyaari teri soorat
Pyaar hai bas tera, pyaar hi
Maa tujhe salaam, maa tujhe salaam
Amma tujhe salaam
Vande maataram, vande maataram
Vande maataram, vande maataram
Vande maataram, vande maataram
Janam janam tera hoon deewana main
Jhoomoon naachoon gaaon tere pyaar ka taraana
Main jeena nahin soch nahin duniya ki daulat nahin
Bas lootunga tere pyaar ka khazaana
Ek nazar jab teri hoti hai pyaar ki
Duniya tab to meri chamke damke maheke re
Tera chehra sooraj jaisa chaand si thand hai pyaar
mein

Vande maataram, vande maataram
Vande maataram, vande maataram
Vande maataram, vande maataram
Tere paas hi main aa raha hoon
Apni baahein khol de
Zor se mujhko gale laga le
Mujhko phir voh pyaar de
Tu hi zindagi hai, tu hi meri mohabbat hai
Tere hi pairon mein jannat hai
Tu hi dil, tu jaan, amma
Maa tujhe salaam, maa tujhe salaam
Amma tujhe salaam, maa tujhe salaam
Vande maataram, vande maataram
Vande maataram, vande maataram
Vande maataram, vande maataram
Vande maataram, vande maataram
