[Petey Pablo]

Come take a ride as we roll to the ghetto

But your feet on the pedal

Cuz it could get pretty extreme in the ghetto

Triple X level, no holds bar

We got hood cap, and luitenets, and project sergeants

Capable of pullin your car, bombin your car

Grenades through your window, this is all our war

Take the main road here where we go

Everytime we roll

Family transportin, guns stashed in truck flow

Real talk dog, I hit real hard

One swing knock a motherfucker block

Slam off (slam off)

Hit him in the part where he talk from

Naggin back to momma cuz the wise in his jaw make it

hard for him to tell you something (tell you something)

It's sunny now but the sotrm comin

Best thing for you to do is try to get prepared for it (for it)

Find'em bread, water, milk, couple cans of soup, and a place to go just incase you have to move

[Chorus: Ebony Eyez]

We can take it thurr (We can take it thurr)

We can handle that (We can handle that)

We can take it thurr (We can take it thurr)

We can handle that (We can handle that)

Finally, when it comes to the tools  
I'm not forgiving the blues  
I'll knock another man clean out his shoes  
We get the breakin the rules  
Lets get the takin his jewels  
Sit still, trippin, turn his ass into dog food  
Who's got he static (huh)  
Better bring the plastic (uh)  
Better automatic (punk)  
And let him have it (chump)  
I'm a savage (What?)  
Let me show you magic (bra)  
Wish I had this and turn your ass saw dust  
Partner we lawless  
I'm talkin all us  
When it come to handlin business, durrtty we flawless  
See these revolvers  
Thats why they call us  
The same reason the police never caught us  
I'm on another level  
Words from a true rebel  
I rock your ass and I ain't talk heavy metal  
Your just a punk and mel durrt devil  
Lets see what's left as soon the the smoke settle

[Corus: Ebony Eyez]
