[Intro: Swizz Beatz] + (Jadakiss) He's phony, she's fake  
That's the type of people I hate (uhh) Hey, hey, Jada  
Jada! (AH-HAHHHH!) Jada Jada! Point 'em out, point  
'em out (uh) Point 'em out (uhh) [Chorus: Swizz Beatz]  
He's phony, she's fake That's the type of people I hate  
If you real and you know it clap your hands {\*clap  
clap\*} If you real and you know it clap your hands  
{\*clap clap\*} Wait a minute - who's real, who's not?  
She's real, but he's not If you real and you know it clap  
your hands {\*clap clap\*} If you real and you know it  
clap your hands {\*clap clap\*} [Jadakiss] AH-HAHHHH!  
Uhh, yeah, yo Gun's gon' clap, packs gon' move Blood  
get drawn, skin gon' bruise Real gon' win, the fake gon'  
lose The love overpowers the hate by twos All they left  
was the yellow tape and his shoes It's real when the  
funeral and wake make the news Load the trey-pound  
so we six up on 'em So when they act phony we just  
switch up on 'em, what [Chorus] w/ ad libs [OJ Da  
Juiceman] Who's phony, who's fake? Silver Hummer, on  
eights Life's good, I'm straight Clap your hands one  
time you relate Can't keep it 100, them the ones I hate  
But I'ma keep it 200 for the ones that fake Red and  
black car on the red chrome skates Young Juiceman  
push a burner on my plate [Chorus] w/ ad libs  
[Jadakiss] Uh, yeah, yo Pocket full of cash, wallet full of  
plastic In and out the lanes, dippin through the traffic  
We ain't hustlin no more, we doin gymnastics Couple of  
flips and then stash it, bastards Real gon' recognize  
real Phony gon' recognize steel, I reckon I will expose  
those who are, if you ain't or you are I done gone too  
far, sorry, MWAH Get yourself a fresh flesh wound or a  
new scar Bullet holes all on the side of your new car  
Load up the A-R, spray y'all, okay y'all? It's real on this  
side, phony wherever they are, what! [Chorus] w/ ad  
libs
