Lord knows tonight I got the blues
multiple stabs from flickering patterns
everybody knows its the tube
looks like the big old sham got shattered
tainted messenger with the news
hereâ€™s the flash, kiss my ass
jump in the pool to rinse the wounds
picture is clear now, stainless on glass
Lord knows tonight I got the blues
multiple stabs from flickering patterns
everybody knows its the tube
looks like the big old sham got shattered
it looks like your big old sham got shattered
oh yeah
donâ€™t go building up the bad news
a rickety tower falls with the first blow
always good to have someone to carry the gloom
crown of thorns
always good to have someone to carry the gloom
â€™cause I canâ€™t shake these horns
donâ€™t be knockinâ€™ billy bad to spare the woes
canâ€™t shake these horns
