tell me about the pyramid plan
what is that funny eye thing man?
is the complete temple the perfected human?
is the eye the eagle's land?
facing the west
to beform in unrest
out of which comes the falcon head
my heart races til repentance
I wish not to save flesh or I'd be dead
tell me about the pyramid plan
what is that funny eye thing man?
the temple is...
is the temple the perfected soul?
seems as though all of our dreams are diminished
except a hundred score ago
it was finished
