I'm not wildin out like I used to  
I dont do the things I used to no more  
-I've changed for you-  
Lookin' back I thought I would never  
love like this broke so many hearts before  
I changed for you

{Keyshia}

I don't do the things that I used to do nomore  
Everything that you do I adore  
No more lies, no more games, everything I say I mean  
{aye}  
And all the love you give me baby,  
it means so much to me  
So dont take ur love away  
No one compares to what you do for me  
And everytime that you see me baby  
You take me in your arms, hold me  
Trust me baby I wont ever leave you

HOOK

Believe me, I'm yours forever  
You need me 'cause I'm down whatever  
{Damn I've changed}

CHORUS

I'm not wildin out like I used to  
I dont do the things that I used to no more  
-I've changed for you-  
Lookin' back I thought I would never  
love like this broke so many hearts before  
I changed for you

(Jaheim)

Pull out the fine wine glasses  
Dinner in bed (went and took some culinary classes)  
Gotta stay sexy for you baby  
Tighten up my body, workin' on my ghetto pilates  
I'm not goin' out tonight (tonight)  
We can hit the sofa,  
cuddle up, satellite service

Ohh baby whatever, let me accommodate ya  
Is there anything you like for me to change  
I can't cut my tats (my tats) but I cant cover up my  
tats (Ohh no)  
That is two things that I can't take back  
But baby it's true,  
I would change it all for you

Believe me (you gotta believe me baby), I'm yours  
forever  
Completely (completely in love) I'm down for whatever  
(baby can change)

Im not wildin out like I used to  
I dont do the things that I used to no more  
-I've changed for you-  
Lookin' back I thought I would never  
love like this broke so many hearts before  
I changed for you

(Jaheim)  
New and improved, bringin out the best of me  
because the old me was lonely,  
Searchin' for my one and only  
So happy that I found u  
{Keyshia}  
Saw the potential  
And you made it so simple,  
to be loved  
And I'll never be the same  
[Both]  
[BABY FOR YOU I'VE CHANGED]

I'm not wildin out like I used to  
I dont do the things I used to no more [no more]  
(I've changed for you)[o0hh]  
Lookin' back I thought I would never (thought I would  
never)  
love like this broke so many hearts before {love like  
this, so many hearts before}  
{I changed for you} I changed for you

I'm not wildin out like I used to  
I dont do the things I used to no more  
(I've changed for you)  
Lookin' back I thought I would never  
love like this broke so many hearts before  
I've changed for you
