She calls out to the man on the street
Sir, can you help me
It's so cold, and I've nowhere to sleep
Is there somewhere you can tell me

He walks on, doesn't look back
He pretends he can't hear her
Starts to whistle as he crosses the street
Seems embarrassed to be there-ere

Oh, think twice, it's just another day for you and me in
paradise
Oh, think twice, it's just another day for you
You and me in paradise

Just think about it

She calls out to the man on the street
He can see she's been cryin'
She's got blisters on the soles of her feet
She can't walk, but she's try-y-yin'

Oh, think twice, it's just another day for you and me in
paradise
Oh, think twice, it's just another day for you
You and me in paradise

Just think about it

Oh-oh Lor-ord, is there nothin' more anybody can do
Oh-oh, oh-oh Lord, there must be somethin' you can
say...

You can tell from the lines on her face
You can see that she's been there
Probably been moved on from every place
'Cause she didn't fit in there-ere

Oh, think twice, it's just another day for you and me in
paradise
Oh-oh-oh, oh-oh think twi-ice, it's just another day for

you
You and me in paradise

Oh, think twice, it's just another day for you and me in
paradise
Oh-oh-oh, oh-oh think twice, it's just another day for
you
You and me in paradise

Just think about it, mm-mm-mm, just think about it
It's just another day, for you and me in paradise
(paradise, paradise)
It's just another day, for you-ou and me in paradise
(paradise, paradise)

Just think about it, mm-mm-mm, just think about it
It's just another
