Something told me it was over  
when I saw you and him talking all night.  
Something deep down in my soul said, "Cry boy",  
when I saw you and him walking.  
I would rather, I would rather go blind, child,  
than to see you walk away, walk away from me.  
Cuz you see I love you so much that  
I don't want to see you leave me baby, nonono, most  
of all,  
I just don't want to be free.

I was just, I was just sitting here thinging  
of your kiss and your warm embrace, baby,  
when the reflection in the glass that I been holding to  
my lips,  
honey,  
revealed the tears I had on my face.  
So let me tell you,  
I would rather, I would rather lose my eyes, yeah,  
than to see you walk away from me.  
Baby, baby, baby don't ever leave me alone
