They call me Miss Pitiful

Baby thats my name now

They call me Miss Pitiful Thats how I got my fame

But people just don't seem to understand

How someone can feel so blue

They call me Miss Pitiful cause I lost someone just like
you.

The call me Miss Pitiful

This everybody know now

They call me Miss Pitiful Most everyplace I go.

But nobody seems to understand now,

How can a woman sing such a sad song

When he lost everything that he had.

How can I explain to you

How somebody con get so very blue

How can I tell you about my past

If all things won't end.

Miss Pitiful

Thats my name now

They call me Miss Pitiful Thats how I got my fame

But nobody seems to understand

what make a woman can feel so very blue

They call me Miss Pitiful cause I m in love with you

Can I explain to you

Everything is going wrong

I've lost everything i had

I have to sing this sad song

To get back to her

And I m gonna sing this song to you

And i want you

And I want you

And I want you

And I want you

[And I wanna tell you everything is going through my
mind]

And I want to sing

And I want to sing

And I want to sing

And I want to sing this song with you

[And I wanna sing this song to everyone]

Cause I want them to understand what I talkin about

I want you to understand what I'm sayin..
