[Verse 1 - Jamie Foxx]

Last night me and my dogs were hanging out  
Tired of being cramped up in the house  
We were simply celebrating life  
Off from work today so it's alright  
But all those ups and downs had me in a twist  
Started dancing with this model chick  
And then every record became my favorite song  
And that is all that I remember

[Chorus]

Cause I had one too many drinks  
And ended up at the Embassy  
With this pretty little thing from Memphis, Tennessee  
It was a one night extravaganza

[Verse 2 - Jamie Foxx]

When I woke up from last night's avoutrie  
Baby girl was laying next to me  
Shoes and clothes were scattered everywhere  
I got dressed and got up out of there  
But not before I called for me a cab  
Hung over from all the drinks I had  
And now I'm telling my story to you  
Everything that I remember

[Chorus x2]

[Jamie Foxx (with ad-libs)]

Extravaganza  
Extravaganza  
Only was an extravaganza  
Yes it was the things that I remember  
And I remember

[Verse 3 - Kanye West]

Bein' at the bar tryin' ask what that hypno hit fo' (Hit fo')  
Knowin' I can't afford to get mo' (Get mo')  
Here's a broke nigga tricked buy one bottle on six flo'  
(Six flo')  
Or, or leave the club now

Do like I did, come back when u get dough  
A fishstick nigga now we messin' wit lobster  
We messin' with Grammys, we messin' with Oscars  
You messin' with that dranky drank  
Plus you puffin' on that stanky stank  
In the morning you gon' draw a blank  
The hotel said y'all was on 'em  
My girl wasn't on shit, I picked the wrong one  
Stead he talkin' bout I ain't like them other girls  
Well tonight I'm tryin' to find them other girls  
Bring they own rubber girl  
Never meet ya mother girl  
You know they love it when you love 'em  
And they tell they friends girl

[Chorus x2 (with ad-libs from Kanye West)]
