[Jamie Foxx speaking]

I know you see me lookin' at you  
And I know he know you lookin' at me  
Well, damn

[Chorus]

DJ won't you play this girl a love song  
She really needs to hear this freaky love song  
She's lookin' at me kind of hard, I can tell that things  
ain't right on the  
home front  
What she really needs is a G like me to beat a beat,  
beat it, beat it

[Verse 1 - Jamie Foxx]

I can see how you want it baby  
Wish your man wasn't here with ya baby  
I can see (ha) curiosity (ha ha)  
Gotcha wanna try me (ha ha)  
Homeboy can't please ya (ha ha)  
On this wall in the open baby  
You wouldn't care if the crowd was watchin' baby  
(Ha Ha) You want it  
(Ha ha) I know it  
(Ha ha) Gotta notion to pull yo ass up outta here

[Chorus 2X]

[Verse 2 - Jamie Foxx]

Baby, I got things that I wanna say  
Won't you meet me in the bathroom  
We can pull a freaky episode, I got my Beretta if the  
nigga come through  
Baby, I know he ain't treatin' you right  
Lady, look at yo bad ass  
(Turn around) ooh (turn around) ooh (damn you fine)  
ooh ooh ooh ooh

[Chorus 2X]

[Verse 3 - Twista]

Tell me why he did you wrong  
Need to get up with the Twista I been sippin' on PatrÃ³n  
Stroke it when I hold them legs up  
He can take you out to dinner and look like a playa  
I'ma give it to you good up in the elevator  
He be actin' all soft when he get in them draws  
I'm a break you off and fuck you up against the wall  
Fixin' move up in that slot cause I'm somethin' he not  
And he don't know what he got, I'm in the drop top  
To get the twat I got a knot, no more runnin' from the  
cops  
Now I'm rollin' with Foxx because the block's hot  
But I'm always a G, cause I come from the streets  
And I got heat for whoever thinkin' they want some  
No more fuckin' with them lames, now you rollin' with a  
thug  
So tell that nigga to (Beat it, beat it)

[Chorus 2X]

DJ play this girl a song  
Turned her out, damn that clown, ain't been down  
DJ play this girl a song
