You get me so  
Get me so excited

[Janet]  
I'm hot, come on, so get it ready  
And I'll open my spot for you  
Anytime you want me to  
So you can

[Khia]  
Act bad  
Don't hurt me  
Look sexy  
Talk dirty

[Janet]  
And i'll open my spot for you  
Anytime you want me to  
Get me so excited

For some reason it might be the money that really turns  
you on  
But for me it's an attitude that keeps me tight on the  
floor  
And no words are suitable to describe your swagger  
babe  
And my body is in overdrive when I have you inside of  
me

Do you like it when I do it  
I go head to toe  
And whenever you pursue it  
You'll never hear the word no  
So forget about them other girls baby  
Cause now you're rollin with a woman baby  
I'ma keep your body thumpin baby  
It's the least I can do  
Cause you get me so excited

[Janet]  
I'm hot, come on, so get it ready  
And I'll open my spot for you  
Anytime you want me to  
So you can

[Khia]  
Act bad  
Don't hurt me  
Look sexy  
Talk dirty

[Janet]  
And i'll open my spot for you  
Anytime you want me to  
Get me so excited

So amused by mind control that I wanna get two steps  
up  
As for me I'm a let you know that my body's smoking  
hot  
Throw me up against whatever's close and get to  
bossin me around  
And everytime I give you the assist you know how to  
slam it down

Do you like it when I do it  
I go head to toe  
And whenever you pursue it  
You'll never hear the word no  
So forget about them other girls baby  
Cause now you're rollin with a woman baby  
I'ma keep your body thumpin baby  
It's the least I can do  
Cause you get me so excited

[Janet]  
I'm hot, come on, so get it ready  
And I'll open my spot for you  
Anytime you want me to  
So you can

[Khia]  
Act bad  
Don't hurt me  
Look sexy  
Talk dirty

[Janet]  
And i'll open my spot for you  
Anytime you want me to

Get me so excited

[Khia]
