Too young to fall in love?
I can't help but fall in love
I don't think I'm breaking the rules for girls

You don't remember the first time I talked to you
Isn't that awful?
You have to remind yourself of the manners for boys

I want you
Let's start the love lesson!
Be more daring, step one, two
Expect a big reaction
Take all you've got and dive into the romance

No matter how good your makeup is
Your heart will not be captured
I hope you'll understand the policies for girls

The anticipation of a kiss, my heart feels like it's going
to explode
It's not something you get used to so easily
Take this chance and show me your skill as a boy

I miss you
Don't stop the love lesson!
Don't stop the dream, step one, two
Don't worry about anyone's horn
Let it all go and dive into the romance

I want you
Let's start the love lesson
Be more daring, step one, two
Expect a big reaction
Take all you've got and dive into the romance
