Yea

I get so lonely

Without you

Janet & Blackstreet

Chorus:

Ohhh

I get so lonely (so lonely)

Can't let

Just anybody hold me

You are the one

That lives in me my dear (you are the one)

Want no one but you

(repeat 1X)

Janet:

Sittin' here with my tears

All alone with my fears

I'm wondering if

I have to do withoutcha

But there's no reason why

I feel asleep late last night

Cryin' like a newborn child

Holdin' myself close

Pretendin' my arms are yours

I want no one but you

(Chorus)

Blackstreet:

I still remember to the day

In fact it was a 3rd Monday

You came along

To be the one for me

And now I'm so all alone

I'm sittin' here by the phone (the phone)

Called that say that your ok

So that I have

The chance to beg you to stay

I want no one but you

(Chorus)

(I get so lonely)

Everytime I see your face baby

(Can't let)

Everytime I hear your name

(Just anybody hold me)

Hard to believe that you and me

(You are the one)

No longer

(That lives in me my dear)

I want no one but you

(repeat 1X)

Break it down

Break it down

Janet & Blackstreet:

Gonna break it down

Break it down

Break it down

(repeat 1 X)

You know

(I know)

That I know

That I get so lonely

Thinking of you

(Chorus until fades-out
