Janet Jackson ft Blackstreet - I Get Lonely (Remix)

=====

Yea
I get so lonely
Without you

Janet & Blackstreet
Chorus:
Ohhh
I get so lonely (so lonely)
Can't let
Just anybody hold me
You are the one
That lives in me my dear (you are the one)
Want no one but you

Chorus

Janet:
Sittin' here with my tears
All alone with my fears
I'm wondering if
I have to do withoutcha
But there's no reason why
I feel asleep late last night
Cryin' like a newborn child
Holdin' myself close
Pretendin' my arms are yours
I want no one but you

Chorus

Blackstreet:
I still remember to the day
In fact it was a 3rd Monday
You came along
To be the one for me
And now I'm so all alone
I'm sittin' here by the phone (the phone)
Called that say that your ok
So that I have
The chance to beg you to stay
I want no one but you

Chorus

(I get so lonely)
Everytime I see your face baby
(Can't let)
Everytime I hear your name
(Just anybody hold me)
Hard to believe that you and me
(You are the one)
No longer
(That lives in me my dear)
I want no one but you
(2x)

Break it down
Break it down

Janet & Blackstreet:
Gonna break it down
Break it down
Break it down
(2x)

You know
(I know)
That I know
That I get so lonely
Thinking of you

Chorus till fade
