"After All"

There, there was a time I knew
That no matter come what may, love would prevail.
Then, inside the dream, I knew
Came the question lovers fear, Can true love fail?

Then I would miss the childhood wish and haven't I
sung to you
Of a knight in armor bright, faithful and true to you,
darling,

After all, I will be the one to hold you in my arms
After all, I will be the one to hold you
I will be the one to hold you in my arms, in my arms.

I know in my heart and mind
that no matter come what may, love will survive.
Love, the author of space and time.
Keeps the violins and each sparrow alive.

And the love that heals the wound after the war is
through
Is the knight in armor bright, faithful and true to you.

After all, I will be the one to hold you in my arms
After all, I will be the one to hold you
I will be the one to hold you in my arms, in my arms.

Don't you know
After all, I will be the one to hold you in my arms
Telling you
After all, I will be the one to hold you in my arms, in my
arms
