Well, the honky-tonks in Texas were my natural second home

Where you tip your hats to the ladies and the rose of San Antone

I grew up on music that we called western swing
It don't matter who's in Austin, Bob Wills is still the king

Lord, I can still remember, the way things were back then

In spite of all the hard times, I'd live it all again
To hear the Texas playboys and Tommy Duncan sing
Makes me proud to be from Texas where Bob Wills is still the king

You can hear the Grand Ol' Opry in Nashville
Tennessee

It's the home of country music on that we all agree
But when you cross that ol' Red River hoss that just don't mean a thing

'Cause once you're down in Texas, Bob Wills is still the king

Well, if you ain't never been there then I guess you ain't been told

That you just can't live in Texas unless you got a lot of soul

It's the home of Willie Nelson, the home of western swing

And he'll be the first to tell you, Bob Wills is still the king

He'll be the first to tell you all, Bob Wills is still the king
