

Asleep At The Wheel "Here"

Visit "[Here](#)" on MotoLyrics.com

I know that you want me to dream
And I don't mind dreaming
But if it's all a waste
Your heart wont breath
I choose to stay awake
And make a mess
Heres my blank confession
The sun in me will die if you bottom out
So when smiles don't stick around

I'll be here
If you want me
I'll be here
If you need me
I'll be
Hanging on a cloud of open invitation
Holding on to keeping you here

Sounds like a roof came down on you
The windows nagging
And you were wedged between getting away
Adn feeling left slapped and blue
Well heres a song
That will never be to far my love protest of how I care
how I care
While you feel that your caught there

I'll be here
If you want me
I'll be here
If you need me
I'll be
Hanging on a cloud of open invitation
Holding on to that keeping you here
I'll be here

I know that you want me to dream
I don't mind dreamin but if it's all a waste
Your heart wont breath
I choose to stay awake

I'll be here
If you want me
I'll be here
If you need me
I'll be here
If you want me
I'll be here
If you need me
I'll be here (I'll be here)
I'll be here (I'll be here)
I'll be here
I'll be with you
Come to me
May grace be with you
Gently keep you here
