Thats When I Love You
by Aslyn

When you have to look away
When you don't have much to say
Thats when i love you, i love you, just that way

To hear you stumble when you speak
Or see you walk with two left feet
Thats when i love you, i love you endlessly

And when your mad 'cause you lost a game
Forget i'm waiting in the rain
Baby i love you, i love you anyway

CHORUS

'Cause here's my promise made tonight
You can count on me for life
'Cause thats when i love you
When nothing you do can change my mind
The more i learn, the more i love
The more my heart can't get enough
Thats when i love you, when i love you no matter what

So when you turn to hide your eyes
'Cause the movie made you cry
Thats when i love you, i love you a little more each time
And when you can't quite match your clothes
Or when you laugh at your own jokes
Thats when i love you, i love you more than you know

And when you forget that we had a date
Or that look you give when you show up late
Baby i love you, i love you anyway

CHORUS

'Cause here's my promise made tonight
You can count on me for life
'Cause thats when i love you
When nothing you do can change my mind
The more i learn, the more i love

The more my heart can't get enough
That's when i love you, when i love you no matter what

Ooh ooh that's when i love you
When nothing baby, nothing you do could change my
mine
The more i learn, the more i love
The more my heart can't get enough
That's when i love you, when i love you, no matter what

Oooh ooh, no matter what
