Make me a promise, baby
Run with your heart, your heart
Make me a promise, baby
Run with your heart, your heart

Cause I don't wanna be
The border to your world
The one holding you back
From all that you dreamed of
Cause I don't wanna know
When all is down the road
You wonder what went wrong
When you were younger

Make me a promise, baby
Run with your heart, your heart
Make me a promise, baby
Run with your heart, your heart

And don't let nothing be
Handcuffing your mind
And making you believe
Your road is dead-ending
Don't cover up your eyes
Stand up when you're pushed down
And never turn around
When words turn to mocking

Make me a promise, baby
Run with your heart, your heart
Make me a promise, baby
Run with your heart, your heart

I know you know yourself
Put your doubt to bed
Don't compromise the cred
For your happy ending
Cause this fight is your own
And your blue and blackened toes
Will be the evidence
Of your weighted landing

Make me a promise, baby
Run with your heart, your heart
Make me a promise, baby
Run with your heart, your heart
Make me a promise, baby
Run with your heart, your heart
Make me a promise, baby
Run with your heart, your heart
