When you have to look away
When you don't have much to say
That's when I love you
I love you
Just that way

To hear you stumble when you speak
Or see you walk with two left feet
That's when I love you
I love you endlessly

And when you're mad cause you lost a game
Forget im waiting in the rain
Baby I love you
I love you anyway

Cause here's my promise made tonight
You can count on me for life
Cause that's when I love you
When nothing you do could change my mind
The more I learn the more I love
The more my heart can't get enough
That's when I love you
When I love you no matter what

So when you turn to hide your eyes
Cause the movie, it made you cry
That's when I love you
I love you a little more each time
[that's when i luv u!!!
