When you have to look away
When you don't have much to say
That's when I love you
I love you
Just that way
To hear you stumble when you speak
Or see you walk with two left feet
That's when I love you
I love you...endlessly
And when your mad cuz you lost a game
Forget I am waiting in the rain

Baby I love you
I love you anyway
Cuz here's my promise made tonight
You can count on me for life
Cuz that's when I love you
When nothing you do can change my mind
The more I learn the more I love
The more my heart can't get enough
That's when I love you
When I love you no matter what

So when you turn to hide your eyes
Cuz the movie, it made you cry
That's when I love you
I love you
A little more each time
And when you can't quite match your clothes
Or when you laugh at your own jokes
That's when I love you
I love you more than you know
And when you forget that we had a date
Or that look that u give when u show up late

Baby I love you
I love you anyway
Cuz here's my promise made tonight
You can count on me for life
Cuz that's when I love you
And nothing you do can change my mind

The more I learn the more I love
The more my heart can't get enough
That's when I love you
When I love you no matter what
That's when I love you
When nothing baby
Nothing you do can change my mind
The more I learn the more I love
The more my heart can't get enough
That's when I love you
When I love you
No matter what

No matter what...
