Eight years old with a floursack cape  
Tied all around his neck  
He climbed up on the garage  
He's figurin' what the heck  
Well, he screwed up his courage up so tight  
That the whole thing come unwound  
He got a runnin' start and bless his heart  
He's headed for the ground  
Well (yes) he's one of those who knows that life  
Is just a leap of faith  
Spread your arms and hold your breath  
And always trust your cape  
Now he's all grown up with a floursack cape  
Tied all around his dreams  
And he's full of spit and vinegar  
And he's bustin' at the seams  
Well, he licked his finger and  
He checked the wind  
It's gonna be do or die  
He wasn't scared of nothin' boys  
He was pretty sure he could fly

Well (yes) he's one of those who knows that life  
Is just a leap of faith  
Spread your arms and hold your breath  
And always trust your cape  
Now he's old and gray with a floursack cape  
Tied all around his head  
He's still jumpin' off the garage  
And will be till he's dead  
All these years the people said  
He was actin' like a kid  
He did not know he could not fly  
So he did  
Well (yes) he's one of those who knows that life  
Is just a leap of faith  
Spread your arms and hold your breath  
And always trust your cape  
Well (yes) he's one of those who knows that life  
Is just a leap of faith  
Spread your arms and hold your breath  
And always trust your cape
