I'm writing  
This letter, sincerely  
To tell you you're the sweetest boy  
I've ever known  
Remember that USO  
When we met  
You almost didn't go  
Well, me and your two sons are  
Very glad you did  
Cause when your eyes found me  
I could hardly breathe  
I wanted you  
Glad you wanted me

I never stopped falling in love with you Wally  
From the first day I saw you  
I was sailor bound  
I just knew  
You had me  
I was yours  
We danced out on the floor  
And with each passing day  
I only loved  
You more

That night was  
Pure magic  
Who would have imagined  
It would become 55 loving wonderful years  
Job was not all easy  
Those last years  
I could hardly speak  
But when I looked at you  
I knew  
Nothing had changed  
And when I was leaving  
I could feel you hurting  
But then I saw those angels  
And I knew your love would want this for me

I never stopped falling in love with you Wally

From the first day I saw you  
I was sailor bound  
I just knew  
You had me  
I was yours  
We danced out on the floor  
And with each passing day  
I only love  
You more  
More  
More  
More  
More  
More

So while you're waiting  
Know that I'm saying I love you  
I love you

I never stopped falling in love with you Wally  
From the first day I saw you  
I was sailor bound  
I just knew  
You had me  
I was yours  
We danced out on the floor  
And with each passing day  
I only love  
You more

You had me  
I was yours  
We danced out on the floor  
And with each passing day  
I only love  
You more
