

## Asleep At The Wheel "What Is The Difference"

Visit "[What Is The Difference](#)" on [MotoLyrics.com](http://MotoLyrics.com)

What is the difference  
A friend and a lover?  
Is there room in the middle for me?  
You are so beautiful  
You make me make out a fool  
To work out a way to be  
I could fly like a bird  
But I just can't let it be

What have I gotta do  
When all you see is passing sand?  
Cause I would rather lose it all  
Than watch you walking hand in hand  
With some other girl  
She's stealing my fate  
But I can't make you dream of me  
I can't make you dream of me

Is there holy water?  
Does salt heal things better?  
Cause I need a place to heal  
My heart's a flat tire  
I sulk and admire  
Hoping you'll stop for me  
I could hide like a turtle  
But I just can't let it be

What have I gotta do  
When all you see is passing sand?  
Cause I would rather lose it all  
Than watch you walking hand in hand  
With some other girl  
She's stealing my fate  
But I can't make you dream of me  
I can't make you dream of me

You can't force a fire  
And I'm not a good liar  
I'm wanting you all for me

What have I gotta do

When all you see is passing sand?  
Cause I would rather lose it all  
Than watch you walking hand in hand  
With some other girl  
She's stealing my fate  
But I can't make you dream of me  
I can't make you dream of me  
I can't make you dream of me  
I can't make you dream
