I'm lookin' for a girl like you
(Well, here I go)

Now, now, now, who's the baby bomb?
It dip and dodgin', cryin', sobbin'
Lookin' to be mobbin' 'cause it's just clockin' and
robbin'
Oh hi now, welcome to my town

The Illy I-town, you got kids liftin' eyebrows
Every time you fly down, so lie down
Full maxin', seein' you laughin'
With passion happenin'

Every action has a reaction
In fact you got my mackin' crackin'
I heard you're lackin' satisfaction from your other half
And honey, you're packin' from the back

And the captain makes it happen
Pardon, what's the matter?
He gots you shattered
Heard that your man is scattered

That mack was plastered
You're fine thing think
Look at me good ain't with that game and true
You make me wanna go, ooh

Like tin clan man, known for my slang bang
Don't be alone when my fangs hang
My love like bang bang, think I maintain

I need a diva like Aaliyah
Plush like a cleaner 850 Beamer, hot
Don't let me break her like I feed her

I'm lookin' for a girl like you
(Well, here I go)
I hope, I hope to me you won't lie too
(Well, tell me boy)

I'm lookin' for a guy like you
(Yeah, you know me, I hope, hope)
I hope you feel it in your knees
(Oh yes, indeed)

I'm lookin' for a girl like you
(Well, here I go)
I hope, I hope to me you won't lie too
(Well, tell me boy)

I'm lookin' for a guy like you
(Yeah, you know me, I hope, hope)
I hope you feel it in your knees
(Oh yes, indeed)

When I first saw you
That's when I knew, I really knew
I wanted to get close to you
I'm watchin', clockin' you

I just spend my days
Wonderin' when I will see your face
Boy, I just wanna see your face
And hear you say

I'm lookin' for a girl like you
(Well, here I go)
I hope, I hope to me you won't lie too
(Well, tell me boy)

I'm lookin' for a guy like you
(Yeah, you know me, I hope, hope)
I hope you feel it in your knees
(Oh yes, indeed)

I'm lookin' for a girl like you

(Well, here I go)
I hope, I hope to me you won't lie too
(Well, tell me boy)

I'm lookin' for a guy like you
(Yeah, you know me, I hope, hope)
I hope you feel it in your knees
(Oh yes, indeed)

It would not be too hard
If you want my heart, just say you love me
(I'm lovin' every inch)

No one in the world could tear us apart

I'll be your lady
(Well, can I have a pinch?)

So what you say?
(What do I say?)
Baby, tell me what's your name
(Treach, you wanna play?)

Will it be okay?
(Guaranteed a okay)
Let me take you
To meet my mom

I'm lookin' for a girl like you
(Well, here I go)
I hope, I hope to me you won't lie too
(Well, tell me boy)

I'm lookin' for a guy like you
(Yeah, you know me, I hope, hope)
I hope you feel it in your knees
(Oh yes, indeed)

I'm lookin' for a girl like you
(Well, here I go)
I hope, I hope to me you won't lie too
(Well, tell me boy)

I'm lookin' for a guy like you
(Yeah, you know me, I hope, hope)
I hope you feel it in your knees
(Oh yes, indeed)

Oh baby, I could touch ya
You kiss me right
Be your lover undercover
Get a woman wet

I wanna get to know a little more about you
And then you smile
(And then what follows?)
Our love is pourin' down
(Like there ain't no tomorrow)

Baby, can we talk?
(My heart ain't hollow)
About us
(Melts in my mouth but that ain't all though)
And then you smile
(And then what follows?)

Our love is pourin' down
(Like there ain't no tomorrow)
Baby, can we talk
(My heart ain't hollow)
About us
(Melts in my mouth but that ain't all though)

I'm lookin' for a girl like you
(Well, here I go)
I hope, I hope to me you won't lie too
(Well, tell me boy)

I'm lookin' for a guy like you
(Yeah, you know me, I hope, hope)
I hope you feel it in your knees
(Oh yes, indeed)

I'm lookin' for a girl like you
(Well, here I go)
I hope, I hope to me you won't lie too
(Well, tell me boy)

I'm lookin' for a guy like you
(Yeah, you know me, I hope, hope)
I hope you feel it in your knees
(Oh yes, indeed)
