Chorus:

Ain't never had a girl run game like you
Ain't never felt the way I felt about you
Ain't never had to beg, nor do I wanna start
So if you wanna play than you can walk
(Repeat)

Verse 1

Thought you was at the mall, shopping with your
friends
Looking for a dress for a wedding you was in
Just the other day stopped in at your work
You weren't there can't believe what I heard
Is she the girl with the long hair (Yeah that's her)
Is she the one that works upstairs (Yeah that's her)
She's been seein my boy 'bout three months now
If that's the same girl ya talkin bout, talkin bout

Chorus:

Ain't never had a girl run game like you
Ain't never felt the way I felt about you
Ain't never had to beg, nor do I wanna start
So if you wanna play than you can walk
(Repeat)

Spoken:

I'mma hit this girl up
See what the hell she talkin about
I know she there
I know she there
(Hello)

Verse 2:

Now can you tell me what I'm hearin ain't true
Don't wanna be a fool for trustin you
I've given you all that I have to give

So why you wanna go on and go and do this
(Well I don't know what you talkin 'bout)
No, I think you do, 'cause I got 'em on the line listenin'
to you (What's up)
So what you gotta say now

Or do you still say you don't know what I'm talkin bout,
talkin bout

Chorus:

Ain't never had a girl run game like you
Ain't never felt the way I felt about you
Ain't never had to beg, nor do I wanna start
So if you wanna play than you can walk
(Repeat)

Bridge:

Now don't be callin me with all this drama you've got
And don't you realize that it's close to three o' clock
(I shoulda known)
Didn't I tell you that I'd never do you wrong
And who's this kid you've got on the phone
(Oh, whatchu tryna say you don't know who I am)
(When just the other day you was callin me your man)
Well I can't lie, I guess it's time that I
Tell you both bye bye

Chorus:

Ain't never had a girl run game like you
Ain't never the way I felt about you
Ain't never had to beg, nor do I wanna start
So if you wanna play than you can walk
(until end)
