I, I wanna love ya
I, I wanna love ya

Baby, every since I found you
Seems like everyday I been happy
Said the way that you love me, turns me out
Baby, I can't feel my heart beat

Seems like lately I been thinkin'
Feelin' that you are everything
Seems like more and more I'm hopin'
That you will be all I need, all I need

All I need, all I need, all I need is you
Baby, you're everything, everything, everything
Did you know that you're all I need, all I need, all I need
is you?
Baby, you're everything, everything, everything that's
you

Baby, it's the way you do me
Keepin' me straight up strung out on ya lovin'
Baby, it is so amazin'
Never dreamed I'd be cravin' to be open

Never knew love could be alive
Swear, I always thought it was a joke
And I didn't know when I would realize
Real love, now baby, I'm hopin' that you

Stay right here with me
Give me all, give me all
All the love I need
Baby, you're all, all I need

All I need, all I need, all I need is you
Baby, you're everything, everything, everything
Did you know that you're all I need, all I need, all I need
is you?
Baby, you're everything, everything, everything that's
you

I don't want nobody but you
I don't need nobody but you
Said, I don't want nobody but you
'Cuz I don't love nobody but you

I, I wanna love ya
(Yes, I do)
I, I wanna love ya
(Can I love you?)

I, I wanna love ya
(Yeah, guy, yeah, yeah, guy)
I, I wanna love ya
(No)

All I need, all I need, all I need is you
Baby, you're everything, everything, everything
Did you know that you're all I need, all I need, all I need
is you?
Baby, you're everything, everything, everything that's
you
