Dirty South (uh huh)
Can y'all really feel me (feel us)
East coast, feel me (feel us)
West coast, feel me (say wha)
Dirty South (here we go)
Can y'all really feel me (baby girl)
East coast, feel me (uh huh)
West coast, feel me (can ya feel this)
Dirty South (dirty dirty)
Can y'all really feel me (really?)
East coast, feel me (say wha)
West coast, feel me (uh huh)
Dirty South (dirty, dirty, dirty)
Can y'all really feel me (I got wicker picker)
East coast, feel me (uh)
West coast, feel me

[Aaliyah] & (Playa)
Boy, I've been watching you
Like the hawk in the sky that fly
Where you were my prey (my prey)
Boy, I promise you
If we keep bumpin' heads
I know that one of these days (days)
We gon' hook it up
Probably talk on the phone
But see, I don't know if that's good
I've been holding back this secret from you
I probably shouldn't tell it but
If I
If I let you know

1 - You can't tell nobody
I'm talking about nobody
Are you responsible
Boy I gotta watch my back
Cuz I'm not just anybody

2 - Is it my go, is it your go
Sometimes I'm goody-goody

Right now I'm naughty-naughty
Say yes or say no
Cause I really need somebody
Tell me you're that somebody

[Aaliyah]

Boy, won't you pick me up
At the park right now, up the block
While everyone sleeps (sleeps, sleeps)
I'll be waiting there
With my trench, my locs, my hat
Just so I'm low key
If you tell the world
(don't speak, you know that would be weak)
Oh boy, see I'm trusting you
With my heart, my soul
I probably shouldn't let ya know
If I
If I let this go

3 - You can't tell nobody
I'm talking about nobody
I hope you're responsible
Boy I gotta watch my back
Cuz I'm not just anybody

2 - Is it my go, is it your go
Sometimes I'm goody-goody
Right now I'm naughty-naughty
Say yes or say no
Cause I really need somebody
Tell me you're that somebody

[Timbaland]

Oh, baby girl
I'm the man from the big VA
Won't you come play 'round my way
And listen to what I gotta say
Timbaland
Don't you know I am the man
Rock shows here in Virginia and Japan
Have people shaking, shaking my hand
Baby girl
Better known as Aaliyah
Give me goose bumps and high fevers
Make the playa haters believers
Don't cha know
Gotta tell somebody

[Aaliyah]

Cause I really need somebody (uh)

Tell me you're that somebody (say wha)
If I let this go

1 - You can't tell nobody
I'm talking about nobody
Are you responsible
Boy I gotta watch my back
Cuz I'm not just anybody

2 - Is it my go, is it your go
Sometimes I'm goody-goody
Right now I'm naughty-naughty
Say yes or say no
Cause I really need somebody
Tell me you're that somebody

3 - You can't tell nobody
I'm talking about nobody
I hope you're responsible
Boy I gotta watch my back
Cuz I'm not just anybody

2 - Is it my go, is it your go
Sometimes I'm goody-goody
Right now I'm naughty-naughty
Say yes or say no
Cause I really need somebody
Tell me you're that somebody

2 - Is it my go, is it your go
Sometimes I'm goody-goody
Right now I'm naughty-naughty
Say yes or say no
Cause I really need somebody
Tell me you're that somebody

1 - You can't tell nobody

Are you responsible
Boy I gotta watch my back
Cuz I'm not just anybody
