You wanna handcuff me  
But yo, I don't know what to tell ya  
(Don't know what to tell ya)  
You want my intimacy  
But yo, I don't know what to tell ya  
(Don't know what to tell ya)

You want a wall around me  
I swear, I don't know what to tell ya  
(Don't know what to tell ya)  
You want my lock and my key  
But yo, I don't know what to tell ya  
(Don't know what to tell ya)

Incarceration's what I'm facing  
When I'm with you  
You're watching my every move  
Trying to pick up on some clues

We play 20 questions  
Every time I walk in or out the door  
What do you bother for?  
(What do you bother for?)  
Get comfortable with yours

It's gonna take  
(Take)  
T R U S T to keep our L O V E  
It's gonna take  
(Gonna take)  
It's gonna take  
(Take)  
T R U S T to keep our L O V E crackin'

Stressin' second guessin' me  
Time and time again  
We go from lovers back to friends  
Got to put this to an end  
(Hey, yeah)

You wanna handcuff me  
But yo, I don't know what to tell ya

(Don't know what to tell ya)  
You want my intimacy  
But yo, I don't know what to tell ya  
(Don't know what to tell ya)

You want a wall around me  
I swear, I don't know what to tell ya  
(Don't know what to tell ya)  
You want my lock and my key  
But yo, I don't know what to tell ya  
(Don't know what to tell ya)

No justifications for your actions  
Should have been somewhere relaxin'  
Don't compare me to your last one  
I can't help it she was a fast one

A sassy one  
I'm a classy one  
I can't keep you from getting happy hon  
Seems like that she'll make you happy hon

It's gonna take  
(Gonna take)  
T R U S T to keep our L O V E  
It's gonna take  
(Gonna take)  
It's gonna take  
(Take)  
T R U S T to keep our L O V E crackin'

I can't deny or lie  
I tried to put up with you  
These insecurities every day  
Pushing my love away

You wanna handcuff me  
But yo, I don't know what to tell ya  
(Yeah, no)  
(Don't know what to tell ya)  
You want my intimacy  
But yo, I don't know what to tell ya  
(Don't know what to tell ya)

You want a wall around me  
I swear I don't know what to tell ya  
(I swear, yeah)  
(Don't know what to tell ya)  
You want my lock and my key  
(My lock and my key)  
But yo, I don't know what to tell ya

(Don't know what to tell ya)  
(No)

You wanna handcuff me  
But yo, I don't know what to tell ya  
(Yes, you do)  
(Don't know what to tell ya)  
You want my intimacy  
But yo, I don't know what to tell ya  
(No)  
(Don't know what to tell ya)

You want a wall around me  
(you want to wall around me)  
I swear, I don't know what to tell ya  
(I swear)  
(Don't know what to tell ya)  
You want my lock and my key  
But yo, I don't know what to tell ya  
(Don't know what to tell ya)

Said is gonna take  
It's gonna take  
(Take)  
T R U S T to keep our L O V E  
(Yeah)  
It's gonna take  
It's gonna take  
T R U S T to keep our L O V E

It's gonna take  
It's gonna take  
T R U S T to keep our L O V E  
It's gonna take  
It's gonna take  
T R U S T to keep our L O V E crackin', crackin'
