Yo, Rodney, you ready?  
'Cause I'm ready so let's go

Come on, check it, check it out  
Aaliyah makes it hot  
Background makes it hot  
The R.G. makes it hot  
To get up, get up and don't stop

Everything's gonna be alright  
Let's get this on tonight  
It's time to get real loose  
Do what you wanna do

Everything's gonna be alright  
Let's get this on tonight  
It's time to get real loose  
Do what you wanna do

Baby, can we talk about what we came to do?  
Let's turn this party on  
Let me show you what our love's about  
Come here, baby and let me show you how tonight

Everything's gonna be alright  
Let's get this on tonight  
It's time to get real loose  
Do what you wanna do

Everything's gonna be alright  
Let's get this on tonight  
It's time to get real loose  
Do what you wanna do

Now we know what's going on  
Just come to me and baby, you will see  
That I'm not into playing games  
You can do this, baby, with the L I Y A H, baby

Everything's gonna be alright  
Let's get this on tonight  
It's time to get real loose

Do what you wanna do

Everything's gonna be alright  
Let's get this on tonight  
It's time to get real loose  
Do what you wanna do

When I'm with you, you make me smile  
(Baby, yes, you do)  
Stay with me a little while  
(A little while)  
Don't ever go, 'cause tonight is the night  
Baby, I will do anything you want me to

Everything's gonna be alright  
Let's get this on tonight  
It's time to get real loose  
Do what you wanna do

Everything's gonna be alright  
Let's get this on tonight  
It's time to get real loose  
Do what you wanna do

Everything's gonna be alright  
Let's get this on tonight  
It's time to get real loose  
Do what you wanna do
