I pulled up to the blockin my halter top
No lookin hot
We hit the spot
So many eyes on me.
Yau-sha-meem
Did you see?
What I just seen
In them jeans
Said he caught my eye
Took a double take
Let's double date
Pick a place
Go ballin' and outta control.
Drive him home
Use my phone
Call Tyrone
And tell em

Chorus:
Me and my girlfriends
We talk like ya'll do
And the dirt that you do
What make you think we don't do?
Me and my girlfriends
We make creep calls too
And if you start actin up
We got someone else to fall to.
Me and my girlfriends
We talk like ya'll do
And the dirt that you do
What make you think we don't do?
Me and my girlfriends
We make creep calls too
And if you never start actin up
We got someone else to fall to
Me and my girlfriends

Yaushameen:
We can double date em
Shake em
Heartbreak em
I'll say I'ma like em

And just
Let em keep on kickin it
Fake n
For goodness sake n
We goin
Never gonna catch no feelings
These dealing are awful phony
Willing
To get something poppin
Don t clock
When they ll be no panties droppin
Huh

Aaliyah:
I m a big old flirt
In a mini skirt
Hey muscle shirt
Getcha feelings hurt
Don t get to cozy wit me
Privacy
We don t need
We ll be just conversating
On a scale of 10 he s a solid 5
Tryin to get some play
No not today
So sorry I got to go
Don t he know?
Head to toe
I ain t feel nothin but his clothes

Chorus:
Me and my girlfriends
We talk like ya ll do
And the dirt that you do
What make you think we don t do?
Me and my girlfriends
We make creep calls too
And if you start actin up
We got someone else to fall to
Me and my girlfriends
We talk like ya ll do
And the dirt that you do
What make you think we don t do?
Me and my girlfriends
We make creep calls too
And if you never start actin up
We got someone else to fall to
Me and my girlfriends

Yaushameen:

What (x4)

We talk ya'll
We creep like ya'll
We ball like ya'll
Like this

We're undeniable
We talk like you do
We ball just like you do
(No denying it)
We get numbers too
We creep just like you do

We pick out the studs?
We creep just like guys
(You know he's hiding it)
We do just like you
We do like you do
