Intro)
Oh, oh yeah

Chorus:
All that you need
All that you want
I wanna be the one that's giving you more
--repeat 1X--

Verse 1:
Let me be your angel, I'm ready
Ready to get on your love
You don't have to worry, I'm with you
And whatever you require
Is my one and only desire
(Call on me)
And you know that I'll be all you need
Ooh, come to me
I got what you like and your love I won't deny

Chorus:
All that you need
All that you want
I wanna be the one that's giving you more
--repeat 1X--

Verse 2:
Let me be the one that you run to
Everything that you're going through
And if you feel kind of lonely you just call me
Anytime, any place, anywhere baby

Chorus:
All that you need
All that you want
I wanna be the one that's giving you more
--repeat 1X--

Bridge:
I'm giving you more...
All the love you need

I'm giving you more...
All the love you need
I'm giving you more...
All the love you need
I'm giving you more...
All the love you need

Verse 3:

My love is right here for you
And I'm down to give you every part of me
Can't you see?

Chorus:

All that you need
All that you want
I wanna be the one that's giving you more
--repeat 'till end
