"Got To Give It Up [2002 Remix From The I Care 4 U"

Come on

I used to go out to parties
And stand around, ohho
Cause I was too nervous, mmmm mm
To really get down, come on, oh
But my body, hehe
Yearns to be free, ehhh
I went off on the floor so, heh
Somebody would choose me, hey yeah
No more standing, oh no
Upside the wall, ohhhhhyeah
Now I got myself together, baby, aha
And IÂ'm having a ball, baby
Long as your groovinÂ', ha
ThereÂ's always a chance, hey
Somebody watchinÂ', uh
Might wanna make romance, ehhyeah (go on girl)
Move your body
Ooooh, baby, and dance all night, uhuhhhhhhh
To the groovinÂ'
Feel all right, ha, wooo
Move your body
Ooooh, and move your feet
Cause the DJ's groovinÂ'
Ohhh, and it sounds so sweet, oh, come on
Baby just party, aha
On and on, hey hey
Cause this party is jumpinÂ', ohhh
Till the break of dawn
