One Two

Check out how we do

One two

I'ma make it hot like fire (Oooh)

I'ma make it hot like fire (Oooh, Oooh)

I'ma make it hot like fire (oooh)

You're hotter than a summer day

In California

You Got me meltin' like a sundae

Now I want ya

I know you've been wait, you've been waitin a long time
for me

(For me)

But if you wait a little while longer

This is how it'll be

Oh it's gonna be

Hot like fire

(I'm gonna take you)

Take you higher (you)

You can't resist

(one day)

Kiss, kiss and kiss and kiss and kiss

You shouldn't rush it

Take our time

I'll let you know when I'm ready

If that's alright

I won't keep you, I won't keep you, I won't keep you

Holding on (holding on)

But if you wait on me

I promise you it won't be long

Oh it's gonna be

Hot like fire

(I'm gonna take you)

Take you higher (you won't)

You can't resist (oh no)

(one day)

Kiss, kiss and kiss and kiss and kiss

(i'm gonna make it) Hot like fire
(I'm gonna take you baby)
Take you higher
You can't resist
(when me and you)
Kiss, kiss and kiss and kiss and kiss

Baby take your time
Take your time
Don't move too fast
(No no no)
Take your time
There's not rushin me
(No no no)
Taaake your time
(Whoa take your time)
Take your time
I'm gonna make it all good for you baby

Hot like fire
(I'm gonna take you)
Take you higher (no no no you won't resist)
You can't resist
(When I taste your lips)
Kiss, kiss and kiss and kiss and kiss

Hot like fire
(no no no)
Take you higher (oh no no no)
You can't resist (oh no no no)
Kiss, kiss and kiss and kiss and kiss (oh no no no)

(C'mon can you feel us)Ba-baby

(repeat and fade out)
