Mmm yeah, no yeah, go

Hey my baby
Why you lookin' so down?
Seems like you need lovin'
Baby, you need a girl like me around

Hey my baby
Tell me, why you cry?
Here take my hand and yeah
Wipe those tears from your eyes

Can I talk to you
Comfort you?
Let you know
I care for you

Can I talk to you?
Comfort you?
Let you know
I care for you?

Hey, sexy baby
Why'd your girl leave you in the pain
To let a fine man like you go?
She must be insane

Hey, sexy baby
There's no need to worry, no
Oh, boy if you call on me
I'll come, I'll come in a hurry

Can I talk to you?
Comfort you?
Let you know
I care for you?

Can I talk to you?
Comfort you?
Let you know
I care for you?

Hold on, stay strong
Press on, I care for you
Hold on, stay strong
Press on, I care for you

Can I talk to you?
Comfort you?
Let you know
I care for you?

Can I talk to you?
