This is where
I've got to draw the line
'Cause I refuse to let you think
You could play with my mind

Always seems that you think
That I'm blind
'Cause there's always certain times
When you're hard to find

You're on the go, I'm on the go
We're on the go
I can't catch you no more
Can't see you no more

And it no longer can be ignored
'Cause at once upon a time
It was you I adored

You disappeared and left me here
Out in the cold
And the absence of you
Is hurtin' my soul

Didn't know there was
An end of the road
It was so easy for you
Just to let it all go

And I refuse
I refuse to have one more sleepless night
I refuse
I refuse to let a tear fall out my eye

I refuse
I refuse to continue to try
I felt like I would die
Or I could break down and cry

And I refuse
I refuse to let you walk back through that door
I refuse

I refuse to let you hurt me anymore

And I refuse
I refuse to continue to ignore
The fact I fell to the floor
The day you walked out my door

And I refuse
No way baby I can't take it no more
And I refuse
No way baby I can't take it no more

And I refuse
No way but I refuse
To take it anymore

Remember when I told you
I could feel the change
You don't touch me the same
Don't hold me the same

No, I don't want you
To take all the blame
'Cause I know I had those moments
When I caused the pain

This back and forth just like a war
With you and me
See we both disagree
Have we ever agreed?

This ain't nothin' like
I thought it would be
Was it all just a dream?
Was it ever in my reach?

And I refuse
I refuse to have one more sleepless night
I refuse
I refuse to let a tear fall out my eye

And I refuse
I refuse to continue to try
I felt like I would die
Or I could break down and cry

And I refuse
I refuse to let you walk back through that door
I refuse
I refuse to let you hurt me anymore

And I refuse
I refuse to continue to ignore
The fact I fell to the floor
The day you walked out my door

It was your way
Or it was no way
And I couldn't live that way

It was our call
How come it was your call?
'Cause I gave you my all and all

And I refuse
I refuse to have one more sleepless night
I refuse
I refuse to let a tear fall out my eye

And I refuse
I refuse to continue to try
I felt like I would die
Or I could break down and cry

And I refuse
I refuse to let you walk back through that door
I refuse
I refuse to let you hurt me anymore

And I refuse
I refuse to continue to ignore
The fact I fell to the floor
The day you walked out my door

No way, I can't take it baby
No way, I can't take it baby
No way but I refuse
To take it anymore

No way, I can't take it baby
No way, I can't take it baby
No way but I refuse
To take it anymore

I refuse
I refuse
And I refuse

And I refuse
I refuse
And I refuse
Said I refuse to take it anymore
