What is this numbers in your pocket I remember when
you used to
throw those things away. Why do you wanna keep in
touch now who
gave you a reason to act so shady...

Baby you know you can call me anytime anything you
need it, I will
give it to you, that's how much I care for you.

You wanna act now never call me back now, turning off
your cellphone,
girl you know that ain't cool.. I don't understand

Chorus:

Baby It's a shame we gotta
go through this we can't even talk
girl we don't even kiss, I never would
have thought we be breaking up like this
But it's over now, it's over now.....

You think that I don't know what's going on cause your
always home
alone and I'm always out of town. You need to stop
trying to play me cause
you can't even fake me
