If my ladies in da house tonight  
Let me hear you say, "Hey"  
If my fellas in da house tonight  
Let me hear you say, "Hey"

If my ladies in da house tonight  
Let me hear you say, "Hey"  
If my fellas in da house tonight  
Let me hear you say, "Hey"

I'm talkin' to my ladies, across the world  
Are you lookin' for a p-p-playa? Tell me what's the word  
To the east side, I roll to the west side of town  
I came to represent and show you how I get down

If my ladies in da house tonight  
Let me hear you say, "Hey"  
If my fellas in da house tonight  
Let me hear you say, "Hey"

If my ladies in da house tonight  
Let me hear you say, "Hey"  
If my fellas in da house tonight  
Let me hear you say, "Hey"

Talkin', talkin' to my f-f-fellas, across the sea  
I heard ya lookin' for a c-c-cutie so it must be me  
I came to party, there's no doubt  
Aaliyah's gonna show you how to turn this mother out

If my ladies in da house tonight  
Let me hear you say, "Hey"  
If my fellas in da house tonight  
Let me hear you say, "Hey"

If my ladies in da house tonight  
Let me hear you say, "Hey"  
If my fellas in da house tonight  
Let me hear you say, "Hey"

Bad girls, talkin' 'bout a bad, bad girl  
Ba-bad girls, talkin' 'bout a bad, bad girl

You damn, damn, skip-skippy  
If the track is like paper  
I'm guaranteed to rip it  
Smells good here, sniff it

I'm lifted, nigga, no, I ain't also gifted  
I'ma let him mix it, hit it hit-hit-hit it  
Aaliyah, the L I Y A H

Step to me mistakably, phatalicious  
Make three wishes, track-track, dirty like dishes  
Hi-hi, hee-hee-hee, hi, hee-hee-hee, hi, hi, hi, hi, oh my

Break down, can you feel this?  
All the ladies can you feel this?  
All the fellas can you feel this?  
All the ladies can you feel this?

If my ladies in da house tonight  
Let me hear you say, "Hey"  
If my fellas in da house tonight  
Let me hear you say, "Hey"

If my ladies in da house tonight  
Let me hear you say, "Hey"  
If my fellas in da house tonight  
Let me hear you say, "Hey"
