How y'all doin' out there tonight? Yes, I love you too
I just wanna talk to the ladies tonight
For all you ladies that done had your heart broken
I done had my heart broken too, so I can relate, ya
know
So if it's ok wit you, I'm just gonna break it down for the
fellas
That don't know that they can't break a woman's heart
Alright? So check it out

I gave you all of my love, all to you
And you don't appreciate the things that I do
I gave you all of my time 'cause you blew my mind
I let you do me wrong, 'cause love had me so blind

I once was, I once was young, but I'm all grown up 'n'
I know 'bout lovin', I used to love you
You tried to play me and then persuade me
I still remember the pain you gave me

I can't believe you, I gotta leave you
I'm packin up 'n' you can hit the road jack
You can take these things that you gave me
'Cause I'm never comin' back

All I wanted was a little love
But you chose to hang out all night with the boys
So what are you sayin'? Am I wastin' my time? Quit
wasting my time
Tryin' to claim somethin' that's not even mine

I once was, I once was young, but I'm all grown up 'n'
I know 'bout lovin', I used to love you
You tried to play me and then persuade me
I still remember the pain you gave me

I can't believe you, I gotta leave you
I'm packin up 'n' you can hit the road jack
You can take these things that you gave me
'Cause I'm never comin' back

Why you hurt me? Why you hurt me?

Why you hurtin' me so bad?
Gave you my time, played with my mind
Why you wanna make me sad?

Why you hurt me? Why you hurt me?
Why you hurtin' me so bad?
Gave you my time, played with my mind
Why you wanna make me sad?

Hey, hey, hey
Hey, hey, hey
Hey, hey, hey
