This is the remix

Every project, come on, come on

Destiny's Child, hey

(Destiny's Child)

Boy I know you want me

I can see it in your eyes

but you keep on frontin'

Won't you say what's on your mind

Cuz each and every time I see you babe

You give me signs

But when I ask you what's the deal

You hold it all inside

If you wanna be with me

Ya gotta keep it real

Tell me what's going on

Tell me how you feel
