### "Once Upon Adecember"

Dancing waves, painted wings  
Things I almost remember  
And the song someone says  
Once upon a December

Someone holds me save and warm  
Horses prance through a silver storm  
Figures dancing graves for me  
Across my memory

Far away, long ago  
Knowing things I remember  
Things my heart used to know

Someone holds me save and warm  
Horses prance through a silver storm  
Figures dancing graves for me  
Across my memory

Far away, long ago  
Knowing things I remember  
Things my heart used to know  
Things it yearns to remember  
And a song someone says  
Once upon a december
