Verse 1:

[Playa]

I got a car, a J-O-B

I'm an independent man

God is blessing me

A lot of girls that I can call

But 9 times out of 10

I don't call them at all

The fun and games is over due

I miss having someone to answer to

I got a house, I got a key

There's one more thing that I really need

Chorus:

I need a one man woman

And you need a one lady man (I understand)

Girl you don't have to find another

'Cause I'll be your man plus your friend (Well, here I am)

Since I need a one man woman

And you need a one lady man (I understand)

Girl we don't have to find another

We can be lovers and friends (Well, here I am)

Verse 2:

[Aaliyah]

I saw you out with all the guys

I love the way you look with those big brown eyes yeah

And if it were up to me

We'd both run away and start a family

And on a scale of 1 to 10

I'm givin' you 11, boy, you're worth that one

Only you can rescue me

I will provide anything you need

Chorus:

I need a one man woman

And you need a one lady man (I understand)

Girl you don't have to find another

'Cause I'll be your man plus your friend (Well, here I am)

Since I need a one man woman  
And you need a one lady man (I understand)  
Girl we don't have to find another  
We can be lovers and friends (Well, here I am)  
--repeat 1X--

Bridge:  
[Aaliyah]  
I'm trying to prove to you  
I think I'm ready for you  
Baby, don't fight my love  
Baby invite my love  
Haven't I proved to you  
You know I'm ready for you baby  
Don't fight my love baby  
Baby, invite my love

Chorus:  
I need a one man woman  
And you need a one lady man (I understand)  
Girl you don't have to find another  
'Cause I'll be your man plus your friend (Well, here I  
am)  
Since I need a one man woman  
And you need a one lady man (I understand)  
Girl we don't have to find another  
We can be lovers and friends (Well, here I am)  
--repeat 'till fade
