### Verse

I must have rehearsed me lines  
a thousand times  
until I had them memorized  
but when I get up the nerve  
to tell you the words  
they never seem to come out right

### Chorus

Oh if only you knew  
how much I do  
do love you  
oh if only you knew  
how much I do  
do need you baby

### Verse

I dream of moments we shared  
but you not there  
I'm living in a fantasy  
but you don't even suspect  
could probably care less  
about the changes I've been going through

### chorus

No you don't even suspect  
could probably care less  
about the changes I've been going through

### chorus
